We are a Church foundation and believe that this makes a large and genuine difference to the atmosphere and ethos of our school. Applicants must be able to fully support the Christian ethos.

Our latest Ofsted inspection in May 2026 recognised particular strengths across the school. Early years, inclusion and personal development and wellbeing were all judged to be at the Strong standard, with safeguarding standards met. Inspectors described Astley as a caring and inclusive school where pupils feel that they belong, and found that leaders have created a highly inclusive culture with well-targeted support for pupils. They also noted that staff feel valued and supported and benefit from an effective programme of professional learning.

We are looking for someone who is passionate about educating the whole child and who understands the requirements for working in a Church of England School. We are currently recruiting for a teaching assistant to work across the key stages as needed. We can offer polite, well-behaved and enthusiastic children who have a thirst for learning and a supportive environment where staff are valued and encouraged to develop personally through a comprehensive CPD package and friendly colleagues.
