

Adults' Social Care Worker Scale 5

Role purpose: To listen and connect with adults and carers to promote their well-being and to maximise independence and access to community resources. To work intensively with adults to regain control of their lives when a crisis occurs and support people to plan for the future.

Summary: Through meaningful conversations, you will carry out and review assessments and support plan for adults and their carers to build a good life within their community.

Main Job Duties:

- To work with adults, using a strength-based approach, who may have a wide range of care and support needs and require support to reduce and manage identified risks.
- To work in partnership and engage other professionals to ensure there is a multi-agency approach which enables the adult and/or their carer to live as independently as possible.
- To meet statutory requirements including best practice in relation to the principles of the Care Act 2014 and the Mental Capacity Act 2005
- To fully engage in reflective practice, demonstrating you are an active member of the team.
- To identify adults and carers who may be at risk of abuse and neglect and support safeguarding procedures, alongside a qualified social worker
- To participate in a range of meetings with adults and carers' and exchange information, participate in decision making, with support and review progress.
- To carry out meaningful conversations which determine eligibility under the Care Act (2014).
- To engage with adults and their carers using a strengths-based approach to identify available resources to meet their needs (wherever possible).
- To build to excellent and effective relationships with other agencies and the local community to sign-post when appropriate.
- To develop creative support plans which focus on the outcomes of adults to promote their independence and ensure Care Act (2014) needs are met in a way which helps to maximise this.
- To gather and analyse from a variety of sources that will provide an informed judgement for the decisions you make
- To have an awareness of potential deprivation of liberty and seek management support.
- To promote the welfare of Children and discuss any safeguarding concerns with the line manager.

- To consider eligibility for Continuing NHS Healthcare, completing CHC Checklists and referring on to request that a full Decision Support Tool is completed and contributing to this appropriate.
- The Social Care Worker will undertake duty responsibilities in line with the requirements of the team.
- The Social Care Worker must maintain accurate records in-line with the Adult Services' Recording Policy
- To prepare and participate in reflective practice and supervision
- To make financial decisions within the boundaries of Adult Social Cares Devolved Decision Making Policy and seek support and authorisation for decisions above the level set
- The Social Care Worker must be committed to continuing professional development.
